

Q1 Some details about yourself: What is your affiliation?

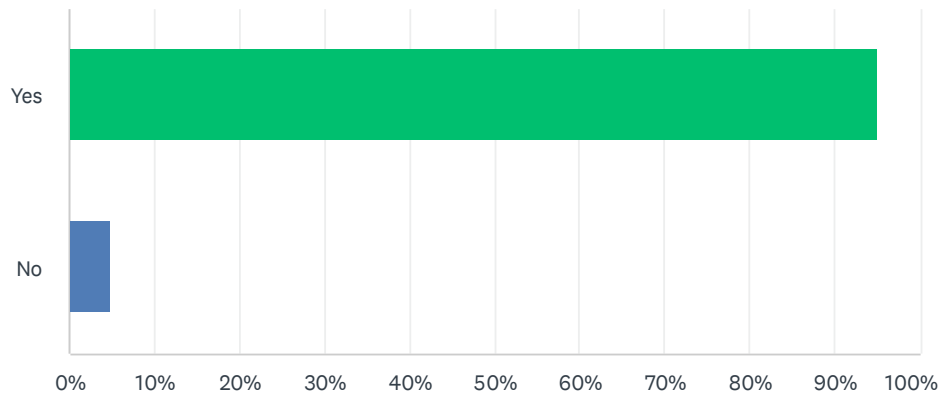

Answered: 83 Skipped: 0

ANSWER CHOICES	RESPONSES	
core facility	71.08%	59
company	8.43%	7
research lab	15.66%	13
other	4.82%	4
TOTAL		83

Q2 Did you attend the ELMI CF day in 2024 (first day on Tuesday)?

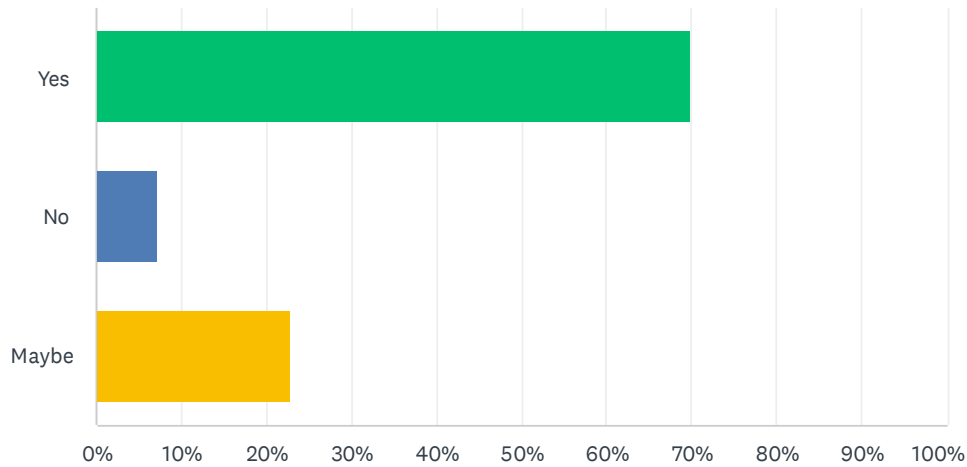

Answered: 83 Skipped: 0

ANSWER CHOICES	RESPONSES	
Yes	95.18%	79
No	4.82%	4
TOTAL		83

Q3 Do you intent to participate in the Core Facility day at the ELMI 2025?

Answered: 83 Skipped: 0

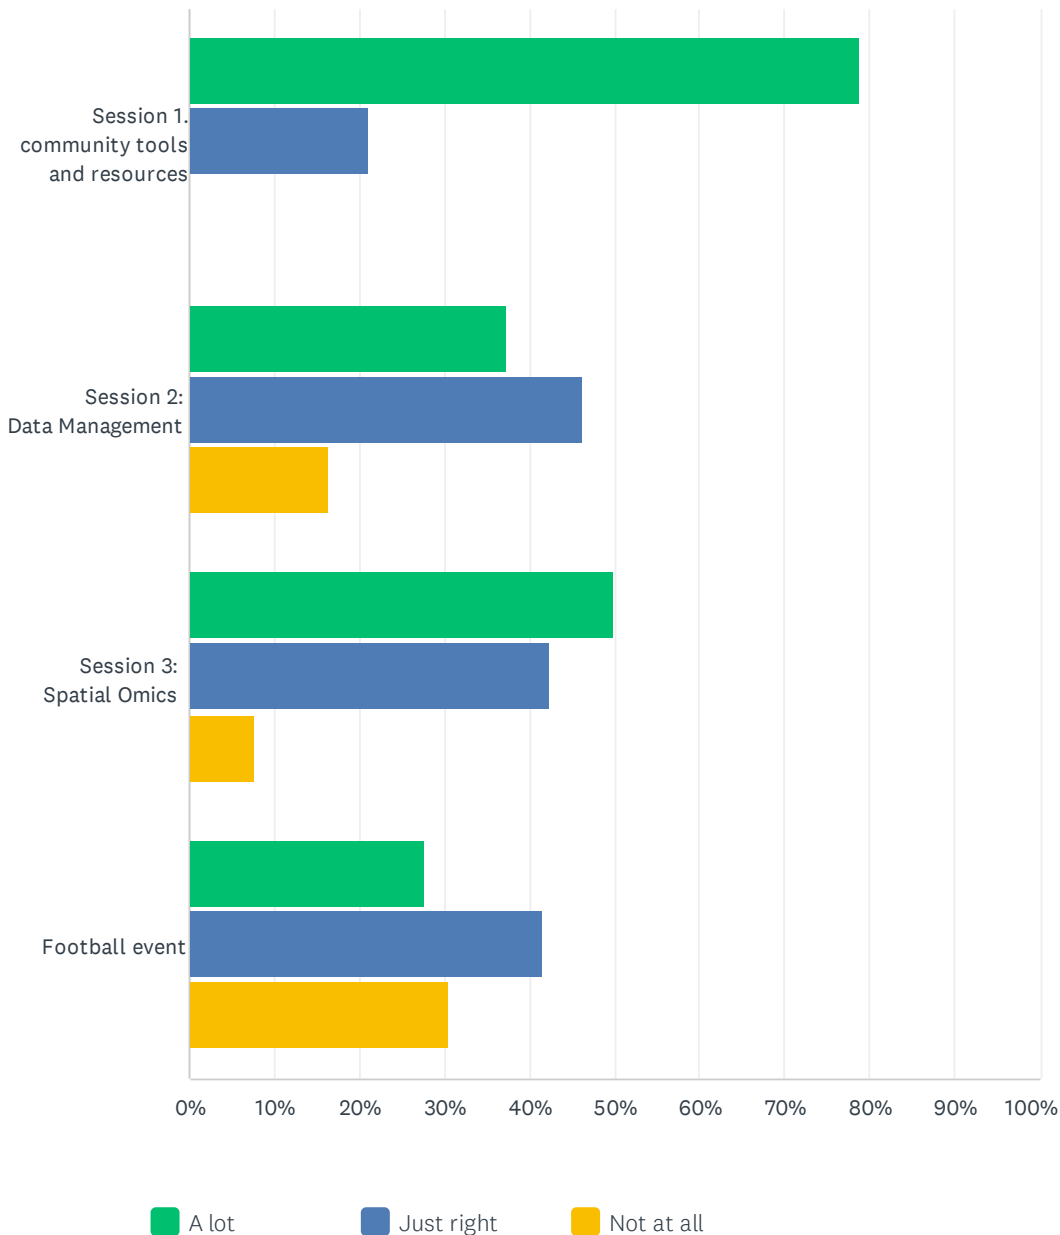

ANSWER CHOICES	RESPONSES	
Yes	69.88%	58
No	7.23%	6
Maybe	22.89%	19
TOTAL		83

#	COMMENT	DATE
1	not sure whether I will get to go to ELMI 2025	6/19/2024 2:37 PM
2	I had wanted to attend, but since it was a set-up day I was too busy organizing the set-up of the workshop room to be able to attend. Other people from my company did though. Set-up of rooms with big systems can take 2-3 days, so allowing time for this would be great.	6/14/2024 11:01 AM
3	If I can get funding to attend elmi	6/5/2024 12:27 PM
4	I'm not likely to attend ELMI every year	6/5/2024 12:23 PM
5	next year I will visit another conference	6/5/2024 12:23 PM
6	It will depend on costs	6/5/2024 10:03 AM
7	It went great. Very useful	6/5/2024 10:02 AM

Q4 How much did you like the following parts of the Core Facility day?

Answered: 67 Skipped: 16

	A LOT	JUST RIGHT	NOT AT ALL	TOTAL	WEIGHTED AVERAGE
Session 1. community tools and resources	78.79% 52	21.21% 14	0.00% 0	66	1.21
Session 2: Data Management	37.31% 25	46.27% 31	16.42% 11	67	1.79
Session 3: Spatial Omics	50.00% 33	42.42% 28	7.58% 5	66	1.58
Football event	27.78% 10	41.67% 15	30.56% 11	36	2.03

#	COMMENTS FOR "SESSION 1. COMMUNITY TOOLS AND RESOURCES"	DATE
1	Good session and good information ! Will Results of slido be sent to participant of CF day ?	6/17/2024 9:14 AM

ELMI Core Facility Day 2024 Feedback survey.

2	Very helpful - keep up	6/12/2024 9:26 PM
3	Great interactive session. Could we access the SLIDO results someweher, please?	6/12/2024 1:28 PM
4	I missed that one... sorry!	6/5/2024 10:04 AM
#	COMMENTS FOR "SESSION 2: DATA MANAGEMENT"	DATE
1	this topic was very similar covered also last year and repeating without new information/developments is very boring	10/1/2024 11:07 AM
2	Goof overview of different strategies in different countries	6/17/2024 9:14 AM
3	Too much different talks, no time for questions or discussion - interessting topic, but compressed info and more discussin time	6/12/2024 9:26 PM
4	This is always a difficult topic to keep people excited about	6/12/2024 1:28 PM
5	Needed more time	6/12/2024 1:12 PM
6	too complex	6/12/2024 9:57 AM
7	Was quite repetitive and the management systems involved weren't reproducible from the level my facility is starting at- needs to be more "entry level"	6/10/2024 5:36 PM
8	A bit of repetition but overall interesting. A practical approach would be good	6/7/2024 9:57 AM
9	Potentially too much on data management at too high a level. I think this content has been covered quite intensively in other elmi and other formats	6/5/2024 12:29 PM
10	Was a bit too much too fast for somebody not totally immersed in tge field	6/5/2024 9:56 AM
11	Repetitive (same as 2023) and heavily focus on cores who have extensive resources (finding and personnel) for data management. No applicability for cores who do not have these resources.	6/5/2024 9:55 AM
12	But it is obvious that a more common solution must be found. Instead of a Billion Single solutions.	6/5/2024 9:45 AM
13	A bit redundant content	6/5/2024 9:44 AM
#	COMMENTS FOR "SESSION 3: SPATIAL OMICS"	DATE
1	very nice status quo overview	10/1/2024 11:07 AM
2	Good Talks	6/17/2024 9:14 AM
3	Very nice that the core facility technicians were so honest about pro's and cons.	6/13/2024 1:23 PM
4	Very nice overview regarding spatial omics technologies.	6/13/2024 9:38 AM
5	Great information and good balance of talks and discussion	6/12/2024 9:26 PM
6	Nice mixture of informal talks and general discussion	6/12/2024 1:28 PM
7	Though a repetition from a meeting held in Switzerland	6/7/2024 9:57 AM
8	It seemed that the overarching message was "this is expensive and the instruments dont really do what they say they do"	6/5/2024 1:04 PM
9	Actually liked a little, but repetitive for something I'm unlikely to support	6/5/2024 12:26 PM
10	Amazing balance between technical detail and practical tidbits!!!	6/5/2024 10:04 AM
11	Too superficial	6/5/2024 10:03 AM
12	I was sceptical but the format was actually really informative and enjoyable	6/5/2024 9:55 AM
#	COMMENTS FOR "FOOTBALL EVENT"	DATE
1	Did not participate	6/21/2024 12:21 AM
2	did not attend	6/19/2024 2:39 PM
3	Did not attend	6/18/2024 12:27 PM
4	As is was not directly at the site I did not join	6/17/2024 1:58 PM
5	I don't assist at the event	6/17/2024 9:14 AM
6	It was great, but we lost! Again!	6/14/2024 6:59 PM

ELMI Core Facility Day 2024 Feedback survey.

7	Not a fan	6/13/2024 10:43 AM
8	Did not attend this year	6/13/2024 9:54 AM
9	1) alternative programm in order to be more inclusive, not everybody likes football 2) The event is very much men specific	6/13/2024 9:38 AM
10	It would be nice to have an event for everyone, not only football players	6/13/2024 9:12 AM
11	Weather could have been nicer, but was less competitive and lots of fun	6/12/2024 9:26 PM
12	rainy, could not attend. Why not next time propose more than one sports? So all people can participate..	6/12/2024 4:36 PM
13	Did not participate.	6/12/2024 4:26 PM
14	did not attend because of the travelling	6/12/2024 4:13 PM
15	A bit too far, no catering for spectators, bus back too late	6/12/2024 1:28 PM
16	Could you propose in parallel another sport event e.g running	6/7/2024 10:07 AM
17	Die Not participate	6/7/2024 9:57 AM
18	did not go to the football event	6/5/2024 12:24 PM
19	did not attend	6/5/2024 12:24 PM
20	Did not attend	6/5/2024 12:19 PM
21	Was not there... sorry!	6/5/2024 10:04 AM
22	Because of the weather and no Cover I didn't went	6/5/2024 9:56 AM
23	We need to find a way to encourage more women, eg by stating clearly that there are mixed teams	6/5/2024 9:56 AM
24	I did not participate	6/5/2024 9:55 AM
25	Didn't go, doesn't appeal at all. Not really an inclusive activity	6/5/2024 9:55 AM
26	Did not participate. But cool for interested	6/5/2024 9:45 AM
27	I missed	6/5/2024 9:44 AM
28	No drinks, no food. Used to be different.	6/5/2024 9:42 AM

Q5 What could be improved?

Answered: 31 Skipped: 52

#	RESPONSES	DATE
1	more discussion time, perhaps in small group environment?	6/26/2024 3:39 PM
2	Would be better to see new people organizing the different sessions. The topics are quite similar to the ones from 2 years ago with little change or progress. Would be nice to have some breakthrough advancements or at least one session that is always "The new session", which would be different each year.	6/21/2024 12:21 AM
3	I would have liked to have the full program on the ELMI website, not just the keynote speakers.	6/19/2024 2:39 PM
4	More interaction with attendees with separate sessions with different topics relating to the core facilities !	6/17/2024 9:14 AM
5	Somehow this year it seemed less interactive, less discussions. Not sure why, was it the larger size, the shape of the room... The feeling was similar in the actual ELMI meeting (but not in the workshops).	6/14/2024 6:59 PM
6	The food for lunch on the first and last day was a bit disappointing (only a meal deal) and only one Vegan option that was the same both days. I was also expecting a bit more time for global discussions during the sessions.	6/13/2024 3:39 PM
7	A session on networking and running a facility could have been more useful than a data management session. Some of us were discussing how to organise cross-facility interactions, what is available for those who want to collaborate and network between facilities. E.g. holding talks, augmenting each other where we have synergistic technologies, open meetings, Teams/Slack etc.	6/13/2024 11:11 AM
8	Include a discussion / talk about innovations in light microscopy sample preparation, such as new dyes, fluorescent proteins, dishes, techniques, and other advancements.	6/13/2024 10:43 AM
9	Open debate with the community regarding a couple of topics would be nice to have. This was the case in the past.	6/13/2024 9:54 AM
10	Engage people to be more interactive. Session 1 was great regarding this aspect.	6/13/2024 9:38 AM
11	More time for networking/discussions	6/13/2024 9:12 AM
12	foster questions and discussion - do not fill up with talks	6/12/2024 9:26 PM
13	proposed lunch was not sufficient, nothing to eat either during break. Hard to stay concentrated until dinner at 9pm	6/12/2024 4:13 PM
14	More tools and microscopy, less data management	6/12/2024 4:11 PM
15	Always integrate some active part in the individual sessions like the SLIDO in session 1 or the moderated discussion in session 3	6/12/2024 1:28 PM
16	Overall more time is needed for the sessions	6/12/2024 1:12 PM
17	community room available on CF-day?	6/12/2024 12:55 PM
18	longer discussion sessions	6/12/2024 9:57 AM
19	Too many talks that were too short and rushed. More talks or open discussions on running facilities- things like day-to-day interactions with users, funding sources, making links/partnerships between facilities, strategy planning.	6/10/2024 5:36 PM
20	Schedule Was a bit dense	6/7/2024 9:57 AM
21	Food	6/6/2024 2:34 PM
22	I found the talks frequently too short	6/5/2024 12:26 PM
23	Maybe shorter sessions with more discussion/free time	6/5/2024 10:05 AM
24	The sessions could be more interactive. For the tools and data session the continuity between ELMIs across the years is nice. The Spatial transcriptomics session was a bit	6/5/2024 10:05 AM

ELMI Core Facility Day 2024 Feedback survey.

	repetitive from previous ones.	
25	Bus timings for the football!	6/5/2024 10:02 AM
26	Water run out in the evening	6/5/2024 9:56 AM
27	The food; also have an opening mixer for people new in the field to meet the established crowd. The football venue.	6/5/2024 9:56 AM
28	Variety in sessions from year to year. More discussion and QA opportunity (data session had none)	6/5/2024 9:55 AM
29	Lunch	6/5/2024 9:45 AM
30	Sharing the presentations!!! (It is not cutting edge research to keep it secret.) Or at least a handout with the links/not sensitive data would be useful.	6/5/2024 9:44 AM
31	More water during the day. Giving out water bottles and then having just one water dispenser available is not sufficient.	6/5/2024 9:42 AM

Q6 What did you like ?

Answered: 35 Skipped: 48

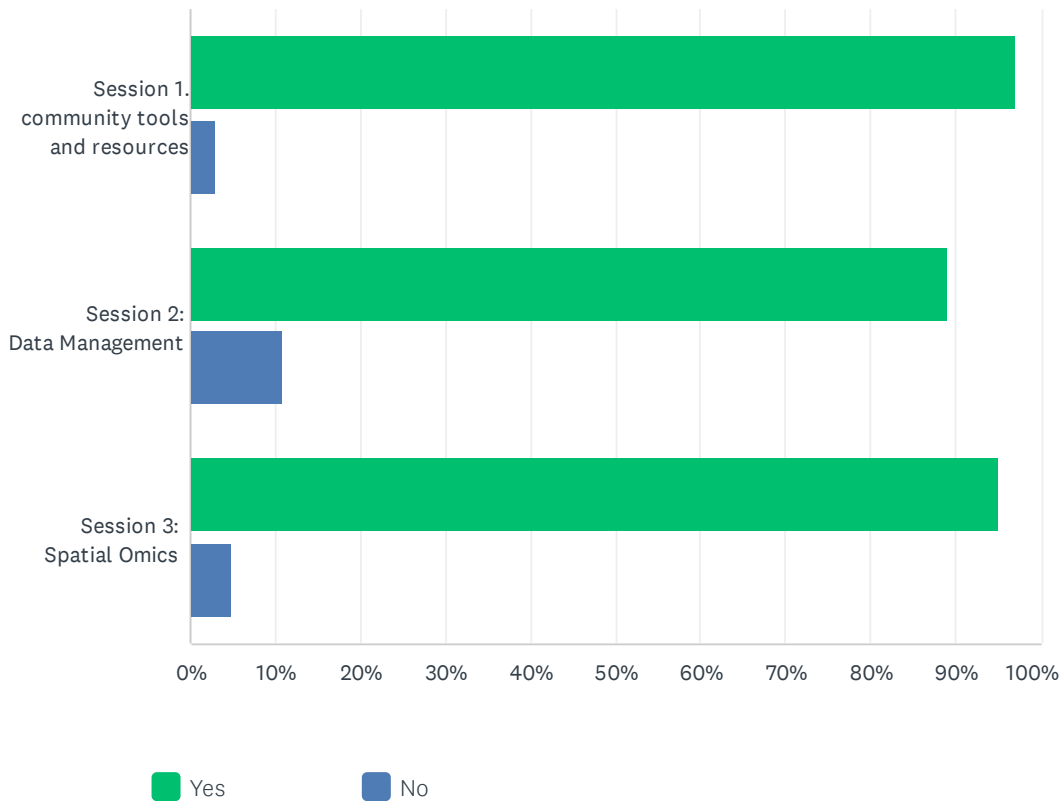

#	RESPONSES	DATE
1	Latest technologies and methods discussed. Hearing from those who had tried things and had issues and offered some solutions	6/26/2024 3:39 PM
2	The tools session. That was fantastic!	6/21/2024 12:21 AM
3	I liked having plenty of time for discussion	6/19/2024 2:39 PM
4	I really liked the fact that the meeting had a day specially prepared for the core facilities! To me, it's something that sets ELMI apart from other microscopy conferences.	6/18/2024 12:27 PM
5	Overview of different network as GerBi, RMS, RTmfm, BINA, etc... Short communication on specific technologies	6/17/2024 9:14 AM
6	As always, topics straight from other facilities, faced with the same developments.	6/14/2024 6:59 PM
7	I like the knowledge that I gained of what people in the core facilities do and all the different open access tools that were presented.	6/13/2024 3:39 PM
8	Possibility to interact with other core facility managers and technicians and possibility share experiences.	6/13/2024 1:23 PM
9	Community tools and resources were great for considering outreach. Interesting view on spatial omics hardware and what the users thought of it, the real feedback that we all needed to hear.	6/13/2024 11:11 AM
10	Open discussions, talks on how things are done and cost in other core facilities	6/13/2024 10:43 AM
11	The focus on data management, which is important.	6/13/2024 9:12 AM
12	tools and ressources are always great implementation of a technique in a facility, comparison of different vendors, techniques was a great opportunity!	6/12/2024 9:26 PM
13	First of all, the organization, the talks were on time, everything went smoothly according to the schedule. Very rare but amazing! The core facility day is a great initiative and the topics where just right, covering the needs that a core facility is struggling most at the time.	6/12/2024 4:26 PM
14	Large panel of speakers	6/12/2024 4:13 PM
15	the first session	6/12/2024 4:11 PM
16	The open spirit and discussions	6/12/2024 1:28 PM
17	Highly informative. Well organized.	6/12/2024 1:12 PM
18	the open feedback and sharing of experiences	6/12/2024 12:55 PM
19	varied speakers	6/12/2024 9:57 AM
20	The spatialomics session introduced some new technology	6/10/2024 5:36 PM
21	Community Character of the event	6/7/2024 9:57 AM
22	Programme	6/6/2024 2:34 PM
23	Open discussions	6/5/2024 12:26 PM
24	Good variety of speakers & discussions.	6/5/2024 12:24 PM
25	Really enjoyed being able to contribute through the slideo	6/5/2024 10:05 AM
26	I like the networking oportunities	6/5/2024 10:05 AM
27	The diversity of different viewpoints in each session	6/5/2024 10:05 AM
28	Talks	6/5/2024 10:02 AM
29	The Talks, topics and that they sticked to the schedule	6/5/2024 9:56 AM

ELMI Core Facility Day 2024 Feedback survey.

30	The football game. The welcome dinner.	6/5/2024 9:56 AM
31	Interactivity of survey. In general it ran on time.	6/5/2024 9:55 AM
32	General discussions	6/5/2024 9:45 AM
33	Power of community :-)	6/5/2024 9:44 AM
34	Networking was great as usual.	6/5/2024 9:42 AM
35	Short sessions, QandA	6/4/2024 5:15 PM

Q7 Was the format appropriate for the topics ?

Answered: 66 Skipped: 17

	YES	NO	TOTAL	WEIGHTED AVERAGE
Session 1. community tools and resources	96.92% 63	3.08% 2	65	1.03
Session 2: Data Management	89.06% 57	10.94% 7	64	1.11
Session 3: Spatial Omics	95.16% 59	4.84% 3	62	1.05

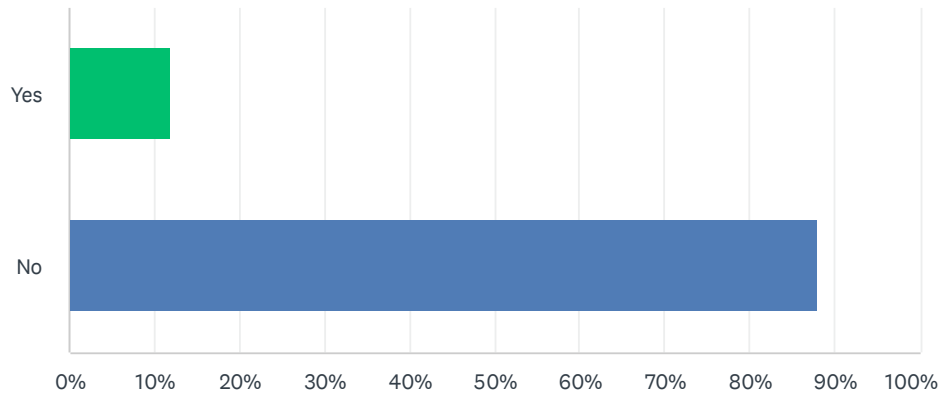

#	COMMENTS FOR "SESSION 1. COMMUNITY TOOLS AND RESOURCES"	DATE
1	But could have had a more discussion element / workshop element to it.	6/26/2024 3:39 PM
2	Maybe this could be done on the facility day, but in the community room, with workshop-style presentations. So we could see the 3D prints, click through the QC database, talk about options,...	6/14/2024 6:59 PM
3	Great and interactive	6/13/2024 9:38 AM
4	The survey questions were good. Speakers too.	6/7/2024 9:57 AM
5	The survey part was very cool and worked well!	6/5/2024 10:05 AM
#	COMMENTS FOR "SESSION 2: DATA MANAGEMENT"	DATE
1	One could really tell that the speakers were real experts in the field, but, personally, I felt that for someone that is not so familiarized with the topic, it was a bit overwhelming and hard to keep up with all the concepts that were given during the talks.	6/18/2024 12:27 PM
2	Not so useful	6/13/2024 9:38 AM
3	more discussion	6/12/2024 9:26 PM

ELMI Core Facility Day 2024 Feedback survey.

4	Too "frontal" and too "theoretical". No scientist will go into that amount of detail	6/12/2024 1:28 PM
5	A bit long	6/6/2024 2:34 PM
6	Although a practical demonstration of how to deal with data would have been nice.	6/5/2024 10:05 AM
7	More basic info for newbies would have been nice.	6/5/2024 9:56 AM
8	Need more interactivity	6/5/2024 9:55 AM
#	COMMENTS FOR "SESSION 3: SPATIAL OMICS"	DATE
1	Great session	6/13/2024 9:38 AM
2	i'd prefer a bit more interactive session, infos were transmitted, but could have more tips-feedback of use	6/12/2024 4:36 PM
3	Round table discussion may have worked better given the revolution in this field. It felt a bit prescriptive and system specific.	6/11/2024 3:09 PM
4	Good introduction at the beginning for those of us that didn't know about this	6/5/2024 10:05 AM

Q8 Do you volunteer for the organizing committee of the next Core Facility day?
